

NAVIGATING A SEA OF DISINFORMATION

Worksheet – Public Policy Options: Disinformation

- Take a look at the 6 different policy possibilities below. What are the potential benefits and harms to the communities you are serving?
- Take 5 minutes to gather your initial thoughts, then discuss with the group.
- For additional context, please reference the two policy briefs shared before the workshop:
 - [Disinformation: Policy Overview](#)
 - [Disinformation: Background Information](#)

<p>Changing Section 230</p> <p>- Potential Benefits to communities</p> <p>- Potential harms</p>	<p>AntiTrust actions against big tech including Facebook and Google</p> <p>- Potential Benefits to communities</p> <p>- Potential harms</p>
<p>Expanding access to fully encrypted Apps</p> <p>- Potential Benefits to communities</p> <p>- Potential harms</p>	<p>Stronger Company enforcements of their own Terms and Conditions</p> <p>- Potential Benefits to communities</p> <p>- Potential harms</p>
<p>Regulated transparency of political ads online</p> <p>- Potential Benefits to communities</p> <p>- Potential harms</p>	<p>Digital literacy in schools</p> <p>- Potential Benefits to communities</p> <p>- Potential harms</p>
