

GUESS WHO? HOW DIGITAL ID IS CHANGING CIVIC SPACE

Close Reading Exercise

Before the start of the workshop, please read and compare the following two articles. Reflect on the questions in the table and provide as many examples in each column as you can. This exercise should take no more than 20 minutes to complete.

- ❖ [Digital IDs Are More Dangerous Than You Think](#)
- ❖ [Inclusive and Trusted Digital ID Can Unlock Opportunities for the World's Most Vulnerable](#)

What are potential harms?	What are potential benefits?	For whom?
<ul style="list-style-type: none"> ● e.g. Potential denial of services ● 	<ul style="list-style-type: none"> ● e.g., Potential access to services ● 	<ul style="list-style-type: none"> ● e.g., Communities with limited tech literacy ●
